

JEAN-FRANÇOIS STASSEN

Junior FrontEnd Web Developer

PROFILE

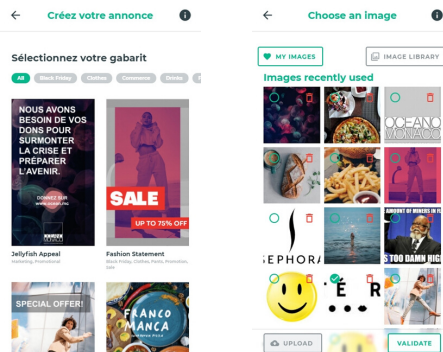

I just completed my Internship @ Glooh Media and I am now open for new opportunities !

Experience in VuelS and Vuetify as well as Directus.

Preceding my internship, I attended with great success a 7-Month Bootcamp @ Bencode Liège.

I like turning a given design into an app but also learn more about backend tech !

Below are a couple of snapshots of a project I started @ Glooh Media.
